www.airportbuochs.ch

info@airportbuochs.ch

1. General regulations

- 1.1. These tariffs are valid for the airport Buochs and replace all previous fee regulations.
- 1.2. Services provided that are not listed herein will be billed separately.
- 1.3. The following charges are levied:
 - Landing fees
 - Skyguide charges
 - Noise surcharges
 - Passenger fees
 - Parking fees
 - Surcharge for special services
- 1.4. Tow aircraft and motor gliders are treated equally to the engine powered aircraft.
- 1.5. Charges and fees must be paid by the crew before take-off unless the owner/holder has an account at the airport Buochs. All major CC are accepted.
- 1.6. VAT of 7.7% will be charged to all tariffs as indicated below.

2. Landing fees

- 2.1. A landing fee is levied for every approach to the airport Buochs, also for go-around with or without touchdown.
- 2.2. Approaches without a following landing are free of charge if they are ordered by the air traffic controller (ordered go-around).
- 2.3. The landing fees and approach charges are calculated based on the maximum take-off weight (MTOM) as is indicated in the certificate of airworthiness, in the aircraft flight manual or in an equal official document of each individual aircraft.
- 2.4. Surcharges to the landing fees are raised for all flights outside the normal tower operating hours (TWR OPR HRS) which need air traffic control or any other air traffic services. (see clause 7.1)
- 2.5. The rates for engine powered aircraft and helicopters are contained in appendix A, on the page 5.

3. Skyguide charges

- 3.1. During the normal tower operating hours (TWR OPR HRS) an additional approach fee is levied for air traffic services provided by skyguide. The charges are contained in the appendix A, on the page 7.

4. Noise surcharges

- 4.1. Noise charges are levied based on the official noise classification by FOCA/ICAO for each individual aircraft. Foreign registered aircraft are treated equally as Swiss registered aircraft. Aircraft without noise certificate are treated as aircraft belonging to the highest noise category.
- 4.2. If an aircraft operator requests to classify the aircraft in a lower noise category than the official ICAO/FOCA classification, it is upon the owner/operator to provide an official noise certificate giving sufficient prove for a lower classification.
- 4.3. A noise charge is always raised then when a landing fee is owed.
- 4.4. The tariff is contained in appendix A, on page 8.

5. Passenger fees

- 5.1. For every passenger departing from the airport Buochs a passenger fee is raised. The tariff is contained in the appendix B, on page 8.
- 5.2. Passengers in direct transit traffic are exempted from passenger fees.

6. Parking fees

- 6.1. A parking fee calculated on the maximum take-off weight (MTOM) is levied for aircraft parking.
- 6.2. The airport authority assigns the place where aircraft may be parked.
- 6.3. The tariff is contained in appendix B, on the pages 8 and 9.

7. Surcharge for special services

- 7.1. Clearance of flights outside the regular TWR OPR HRS:

Mo - Fr: 1200 – 1315 LT and 1700 – SS (MAX 2000) LT
Sa: 0800 – SS (MAX 2000) LT
So: 0800 – SS (MAX 1800) LT

Calculation is made on time basis and normaly per movemend:

- air traffic controller: **CHF 440.00** (min 2 hours)
- airport : **CHF 360.00** (min 1 hour and 2 employees)

In case of annulation with a notification at the day of the movemend and for weekends after Friday 15:00 LT a service fee of CHF 350.- will be charged.

A handling charge are applied for all aircraft with a MTOW 4500kg or more and Jets.

AIRPORT–BUOCHS AG

Zentralschweiz LSZC

- 7.2. Search rescue and police flight
The above-mentioned flights as well as flights for humanitarian purposes are not subject to any temporal restrictions and are exempted from surcharges.
- 7.3. Freight charges
Freight charges are levied on time basis and only if assistance is specifically requested by the operator.
- 7.4. Fuelling
On request jet A1 is available. **No duty-free fuel available.**
- 7.5. Snow clearing on specific demand
Snow clearing on specific demand is charged on a time and material basis.
- 7.6. Rescue and firefighting service, ground-handling, and fees for treatment of customs-declarations are contained in appendix C, on page 10.
